Any student who withdraws from a course or fails to complete their training will have a notice placed in the file as to their progress at the point of withdrawal. LEAVE OF ABSENCE POLICY

The Beauty Institute understands that students may have unforeseen emergencies for medical reasons and personal/family reasons resulting in a requiring to take a leave of absence. A student may request a leave of absence for a period not less than 10 or more than 180 days.

A student can request one or more leaves not to exceed 180 days in any 12- month period. Any combination of leaves exceeding 20 calendar days within a student's course of study will damage a students' capability to achieve an academically passing grade in the students' current unit of education. Because of this, The Beauty Institute holds the right to determine to place the student in the unit that reflects the education said student has received upon the date of return. The Institution will establish the start date of your approved LOA as the first date the student was unable to attend.

The Beauty Institute will not charge additional tuition or fees for leave of absences. A student will be withdrawn if the student takes an unapproved LOA or a student who fails to return to class on the appointed date must be terminated/withdrawn effective on the date he or she fails to return to the institution. All refunds will be calculated based on the students last date of attendance. A student must follow the institution's policy in requesting a LOA.

All leaves of absence must be documented 2 weeks before the first date of absence. The request for leave must contain the following information:

- The first day of the LOA (first day off)
- The date the student will return to class
- An explanation detailing the reason for the leave of absence will be documented on LOA form
- Student signature.
- School Official signature

*The Beauty Institute may waive the requirement of documentation 2 weeks in advance when sudden circumstances do not allow the student to request a leave or complete the form before the leave begins. The student is expected to complete the form as soon as possible following the immediacy of the circumstances.

The school Owners or designated employee must approve all leaves before it begins by signing and filling out the appropriate document in a meeting with student. A student approved for a leave of absence and meets these requirements is not considered to be terminated/withdrawn, and no refund calculation is required. An approved leave of absence extends the student's enrollment agreement and expected graduation date by the number of days in the leave of absence. When student has returned, all parties must sign and date an edited enrollment agreement with his or her new expected graduation date.

****Students on leave of absence do not pause their tuition payments and should continue to make payments on their account as scheduled.****

Policy on Extra Instructional Charges

Each course/program has been scheduled for completion within an allotted time frame. A grace period of approximately ten percent has been added to the calculated completion date for each program. The school has reserved space, equipment, and licensed instructors for each student and course/program. If a student does not graduate within the contract period, additional training will be billed at the rate of \$4.50 per hour, payable in advance, until graduation. Students will not be allowed to clock in until applicable daily payments are made.

WAGE ESTIMATES

Cosmetologists receive income from commissions or wages and from tips. Earnings are dependent on the size and location of the salon, costumers' tipping, competition from other salons, and the individual's ability to obtain and hold regular costumers.

The NACCAS 2007 Cosmetology Job Demand Survey for Michigan has the following average 2007 yearly full-time salaries:

Salon professionals -\$30,000- \$48,000

*Demand for cosmetology services is estimated to expand at least at the same rate as the growth of the population. Michigan has a 19.3% increase in job opportunities in 2007.

EMPLOYMENT ASSISTANCE

Our school does not guarantee placement upon completion of the course, however, our school will assist students in obtaining a job through posting available positions or notifying the student by phone or mail after they have graduated. Our school obtains information regarding employment from salons that have notified our schools of openings. We also provide guidance related to professional appearance within our curriculum. Students are advised that the law prohibits any school from guaranteeing placement as an inducement to enter school. Our school does not have control of local employment conditions or the economy. Although graduating students and alumni are provided employment opportunities with the industry at graduation and thereafter, this in no way constitutes a promise or guarantee of employment.

PHYSICAL DEMANDS

As a Cosmetologist, students will be spending long hours standing, so it is important for our students to develop and maintain good posture and wear comfortable, rubber-soled shoes with good arch support.

Manicurists and Cosmetologists spend a lot of their day bending, reaching and repeating the same motions. Any repeated activities can cause fatigue and pain in various parts of the body, sometimes even serious injury. By developing the right work habits at the beginning and using the proper equipment, health challenges can be greatly reduced, while facilitating longer productivity in your career.

GRADING SYSTEMS

Academic progress minimums are 80% cumulative GPA in both Theory & Practical Work.

MAKEUP WORK

Any work missed by the student because of tardiness or absenteeism will be made up at the instructor's convenience. This rule will prevent disruption of the class in session. Students will be given one week or longer, depending on the extenuating circumstance and if approved by the Instructor or Executive Director, to complete missed work. After this time, the incomplete grade will be credited. Students are responsible for working with their instructor to obtain materials or information missed from theory classes.

STUDENT ACCESS TO FILES

Files are defined as records, materials and documents which contain information directly related to a student and are maintained by the School. Student files are the physical property of the School and are maintained and safeguarded for at least 7 years after the student has left the school. Adult students and parents/guardians of minor students have a right to inspect and review information contained in the student's file. This inspection must be requested in writing and will be provided at the School's convenience under the supervision of a staff member as specified in the policy. The person requesting access to records should do so by making an appointment to deliver their written request. Written consent from the student or guardian is required before the school will release records in response to a third party request (with the exception of requests made for legal or accreditation purposes from the Board of Cosmetology, the National Accrediting Commission of Cosmetology Arts and Sciences, or other agencies authorized by law). The school may charge a \$10.00 transcript fee for transcript requests.

SAFETY PRECAUTIONS

It is important that safety must come first when working in a salon with different types of chemicals. Throughout your career in the cosmetology field, you will be working with many types of chemicals and potentially hazardous materials such as hair color, permanent waves, chemical relaxing products, and artificial nail products. As you proceed through your course, you will learn safety precautions that will need to be followed when working with these chemicals to protect yourself as well as your clientele.

There are other safety hazards in the salon that may surprise you, such as water. Any water left on the floor is inviting someone to slip and injure themselves. As well as water on the floor, scalding hot water is a potential hazard. Our school is equipped with vacuum breakers in the shampoo bowls to regulate the water temperature and prevent anyone from being scalded with hot water.

By following safety precautions, you contribute to the health, welfare, and safety of the community. Always have good hygiene and be professionally dressed. Keep a first aid kit on hand, follow safety regulations, and keep equipment properly sanitized. The following precautions should always be taken with each client:

- Protect clients' clothing by appropriately draping them.
- Ask clients to remove any jewelry, hair accessories, glasses, etc.
- Keep any and all chemicals away from the eyes. In case of eye contact with chemicals, thoroughly rinse eyes with cold water.
- Wear gloves when dealing with chemicals.
- Remember that anything containing chemically active ingredients must be used carefully to avoid injury to you and your client.

FERPA

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records and details exemptions permitted educational institutions. FERPA affords students certain rights with respect to their education records: inspection of their education records, and to request correction of information in their education record which they believe to be inaccurate or misleading, and to request nondisclosure of Directory Information:

Procedure for Request of Student to Inspect

The student should submit to the Executive Director a written request that identifies the record(s) the student wishes to inspect. The Executive Director will make arrangements for access and make an appointment, to be held as promptly as possible and not more than 45 days after the institute receives the written request, during regular business hours, for the date time and place where the records may be inspected. School staff will be present while the student reviews original education records.

Procedure for Student Request for Amendment/Revision to Education Records

The student should submit to the Executive Director a written request for amendment that contains:

- the specific record(s) which the student believes is inaccurate or misleading and wishes to be amended, and
- The Executive Director will review the request and evidence and consult with the School Owners. The School Owners will make the final determination and will inform the student of the determination via a letter. If the student still believes that the specific record is inaccurate or misleading, he or she may request that a complete copy of their above request and evidence be placed in their file setting forth his or her view of the contested record. The student's request will be honored as is mandated in FERPA that supports the accuracy of the request.

CAMPUS SECURITY

Because of the small size of our school, no campus security personnel are employed. Campus security is considered the responsibility of all school employees.

Students in need of assistance or wishing to report a crime, should contact their instructor or any other school employee. The appropriate law enforcement agency (Birch Run Police Department) will be contacted as necessary. If no school employee is immediately available, the student should dial 911 for assistance.

In the event of a crime or security problem on campus, the Birch Run Police Department will be contacted to investigate or aid in the situation.

CRIME REPORTING PROCEDURES

All criminal activity occurring on campus should be reported immediately to the Birch Run Police (911). The Beauty Institute personnel will assist the complainant in completing criminal reports. These reports will also be forwarded to appropriate police departments. In certain cases, reports will also be shared with our school personnel for campus conduct proceedings. Our institute will assist the local police department with investigations.

If you are a victim of a crime or witness a crime:

Call the local police (911) for any emergency including medical assistance, fires, suspicious people or activities, crime reports, traffic accidents, or other illegal activities.

Obtain a description of the offender(s), including sex, age, race, hair, clothing and other distinguishable features. Attempt to obtain a description and license number of any vehicle involved. Note the direction taken by offenders or vehicles and report those to the local police department. Preserve the crime scene. Do not touch any items involved in the incident. Close off the area of the incident and do not allow anyone in the crime area until local police arrive.

Failure to report any criminal activity to the local police department in a timely manner may result in disciplinary action by The Beauty Institute.

The Beauty Institute employees and students are encouraged to assist anyone reporting alleged criminal activity in contacting the local police department. Criminal activity may be reported voluntarily and confidentially to the local police department.

TIMELY WARNING REPORTS

The Beauty Institute will issue timely warning to staff and students in cases of reported murder (non-negligent), sex offenses, robbery, aggravated assault, burglary, motor vehicle theft and hate crimes (manifesting evidence of prejudice based on race, religion, sexual orientation or ethnicity) of murder, forcible rape or aggravated assault in those cases where our institute personnel determine there is a continuing threat to the community. In such cases, timely warnings will be published on the student bulletin board.

SATISFACTORY ACADEMIC PROGRESS POLICY

SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology 450 (week 15), 900 (week 30), 1200 (week 40), 1500 (week 54) clocked (actual) hours

Instructor Program 250(week 15), 500(week 30) clocked (actual) hours

*Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress.

Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

| COURSE | MAXIMUM TIME ALLOWED | |
|--|----------------------|-----------------|
| | WEEKS | SCHEDULED HOURS |
| Cosmetology (Full time, 35 hrs/wk) -1500 Hours | 54 Weeks | 1,875 |
| Cosmetology (Part time, 25 hrs/wk) -1500 Hours | 75 Weeks | 1,875 |
| Instructor program (25 hrs/wk) -500 Hours | 25 Weeks | 625 |

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe allowed will be terminated from the program and able to re-enter into the program, for remaining hours needed, at our hourly rate of \$4.50 per hour.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 80% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

| | |
|--------------|----------------|
| 100 - 95 | EXCELLENT |
| 94 - 85 | VERY GOOD |
| 84 - 80 | SATISFACTORY |
| 79 and BELOW | UNSATISFACTORY |

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds (the institute does not utilize Title IV funding).

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds (the institute does not utilize Title IV funding).

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid(not utilized in the institute currently), as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point.

Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student

prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted

ANTI-HARASSMENT POLICY

Harassment is defined as any verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of his/her race, color, religion, gender, national origin, age or disability. Students MUST refrain from and not participate in name calling, racial/ethnic slurs, racial/ethnic jokes, graffiti and racially/ethnically motivated fights or assaults and vandalism.

Sexual harassment is defined as unwelcome sexual advances or visual, verbal or physical conduct of a sexual nature which interferes with the performance of duties or creates a hostile environment.

Any form of harassment should be immediately brought to the attention of the instructor. They will promptly investigate the allegation to determine the appropriate corrective action to be taken.

Senior students who encounter harassment while working with members of the public should immediately advise the instructor of the problem. No student will be expected to work on a customer who exhibits such offensive behavior. Such a patron will be advised to act appropriately or will be refused future services.

The Beauty Institute attempts to encourage a learning environment that may provide for an equal educational opportunity and fairness to all students. The Beauty Institute intends to foster an integrated, caring and thoughtful environment. Students are supposed to learn to respect each other, get along with each other and develop an intolerance for bigotry and prejudice.

The Beauty Institute prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on its property or as part of any of its activities. Violation of this policy will result in disciplinary action up to and including dismissal, expulsion and criminal penalties. The Beauty Institute Management will promptly make a report to the local police department if they know or have reasonable cause to believe that conduct has occurred which constitutes the use, possession, or sale of controlled substances on the school premises. The prohibition specifically includes, without limitation:

At The Beauty Institute we practice a strict 4 step disciplinary process, which includes;

1. Verbal Warning
2. Written Warning, signature from student and instructor, & 30 day probation
3. Sent home 5 day suspension, and 30 day probation when return to school
4. Termination from the Program

Our institute will have a meeting with the student during their written warning to discuss a plan to keep from further disciplinary action. If a student is terminated from the program, said student is to attend a meeting, scheduled with the admissions director and/or Owners, to discuss a Refund Policy agreement, to determine either a refund or set up a payment plan to finish their tuition payments that said student still owes the institution. The Beauty Institute may terminate a student's enrollment for noncompliance with General Policies, Student Enrollment Agreement, or State Laws and Regulations; Improper conduct or any action which causes or could cause bodily harm to a client, a student, or employee of the school; willful destruction of school property; and theft or any illegal act.

PAYMENTS USING TFC

Your tuition balance is being serviced through TFC Credit Corporation, TFC Tuition Financing is a private lender that has been providing tuition financing for students since 1970. TFC payment plans are a set schedule of monthly payments to make tuition more affordable for the student. Payments can be made by automatic monthly charge to credit/debit cards, bank checking/savings accounts, or by manually paying by check or logging on to the student TFC log in page. A TFC payment plan will be broken down into two (2) tiers: A payment amount for your time enrolled in a program, and a payment amount for after you graduate. We do two separate amounts to help students be able to attend school without the pressure of extra high bill amounts. Doing so, students are able to focus more on their education. After graduation, that payment amount moves into the second tier to help pay off school quickly. Using this student website, tfstudentinfo.com, you are able to: Check the status of your account, View transaction history and payoff amount, Manage contact information - update address, phone number and email, Make payments online and set up automatic payments with your bank account or your credit/debit card, Sign up for reminder text messages to avoid late fees - you'll be notified before your payment due date and again before your account falls past due, Switch to email monthly payment reminders
